Subject: INACTIVE ALPINE CARTON, CODE 50-109C

JAN 9 1986

As we discussed by phone this morning, please review this item and advise if we can discontinue it. In light of the fact that we are setting up a much more attractive ALPINE carton and this carton has not been used since March of 1983, I hope a decision can be reaced shortly. It is shown as used on product code "E02700-0026."

Since this is one of the last 3 remaining examples of this carton, I request that you return it for our historical files.

Best regards,
